

Discussion topic ideas (group work) Use them with your class to start a range of discussions.

Language and meaning may need clarification before students begin.

Flashcards

'It's just one straw' said 7 billion people.

My changes won't make a difference.

We won't have a society if we destroy the environment.

There is no plan B. There is no planet B.

Be part of the solution, not part of the pollution.

Human beings are great in their own eyes, but not in the eyes of nature.

Water and air, the two essentials aspects of life, have become global dumping grounds.
