Can these things be recycled activities

Note: Please check with your local recycling guidelines as to whether these items are able to be recycled. It can vary from country to country and even between counties.

The items in **red** cannot currently be recycled and the items in **green** can.

Activities

Draw 2 big circles on the floor, one for non- recyclable and one for recyclable. Read out the items and have the children run to the circle they think is correct.

The same activity can be done on a smaller scale, indoors, with red and green card for holding up answers.
