

Reduce, Reuse, Recycle
(these are in order of importance)

Activity ideas

- Have the 3 words on the board and ask learners to discuss, in groups-
 - What the words mean
 - Why they are important
 - Which is the most important and why
 - Ideas for each one
 - What will happen if we don't do these things
 - Discuss the other aspects of refuse, rethink, repair

Reduce, Reuse, Recycle, Refuse, Rethink, Repair

- Ask learners to write a definition for all 6 terms
- Write a definition for each and ask learners to complete a matching activity
- Ask learners to create a poster for the 6 terms
- Ask learners to read the text below and answer the question. The text can be used for group discussion, also.
