

Plastic free Halloween

- Learners can discuss in pairs, or groups, ideas for a plastic free Halloween.
 - They can write sentences using the structure 'You + could.....'
 - Start off the activity by having a group discussion about Halloween and key words that we use when we talk about this celebration.
 - Highlight to learners how much plastic is used at Halloween.
 - A good website for this is- <https://www.asustainablelife.co.uk/wp-content/uploads/2019/10/Halloween-stats.jpg>
-
- **Follow us on Twitter and share your learners' work. We'd love to see it!**

How to have a plastic free Halloween

1. Plastic free food
2. Plastic free costumes
3. Plastic free decorations
4. Make the most of your pumpkin
5. Trick or treat (plastic free)
6. Home-baked treats

Pick 3 of the ideas above and write sentences using 'You could.....'

Example- You could buy a costume from a charity shop.
